# ANNUAL REPORT

Dear CFBC Family:

November 2021

Paul's love and affection for the churches in the New Testament has always gripped me. After two and a half years as your pastor, I am experiencing more deeply than ever what I believe Paul felt. God supernaturally bonds His pastors to His people. Every day I thank God for you and for the privilege of serving as your pastor.

This past year God has again proven His faithfulness during trying times. We continued to experience the effects of COVID on our lives. We have grieved the home-going of some, and we have rejoiced as God has sustained many. Despite all obstacles we have stayed the course and sought to move forward by faith. You, CFBC, have been steadfast and faithful each step of the way, and God has blessed us as a result.

Under God's providence, 2021 brought many changes our way. The most transformational change has been the progress on our Legacy Project—the construction to expand our space to make disciples. We are so close to the finish line! Prayerfully we should officially "break the tape" in early 2022 and occupy new and renovated spaces made possible by your generosity. Thank you church family for giving above and beyond so faithfully! Your financial pledges to the Legacy Project through December of 2022 are critical to our faithful stewardship. If you are new or have yet to join this pledge effort—it's not too late! We need every part of the body working together financially to complete the effort.

Our staff team also experienced change in 2021 as our former student pastor, Kyle Clayton, answered the call of God to pastor Grace Baptist. We sent him along with the families hearing the call of God to help. It's so different than the way the world works, but in the Kingdom of God you gain by losing! Jesus said it is more blessed to give than to receive! As God called Kyle away, He brought Jon Huff (Worship Pastor) and Eva Bell (Director of Church Operations) to us and what a blessing they have been! We continue to wait prayerfully on God's man as our next Student Pastor knowing He will provide in His time.

What has not changed in 2021 is our mission to Make Disciples and our Discipleship Pathway of GATHER, GROW, and GO. The rhythm we want for every CFBC member is GATHERING with the body for worship, GROWING in a small group community and GOING on mission. We know God has called us to MATURE as believers and to live on MISSION as believers. Therefore, our maturity in Christ and our mission for Christ must be our focus.

As 2021 concludes and in light of the days in which we live, I cannot help but think of the reminder Paul gives us in Ephesians 5:15-17. *Look carefully then how you walk, not as unwise but as wise, making the best use of the time, because the days are evil. Therefore, do not be foolish, but understand what the will of the Lord is.*

What a time to be an ambassador for Christ! What a day to be salt and light in our world! What a day to live for the glory of Jesus anticipating His return! What a day to be a laborer in the harvest for the Kingdom of God! God has created us and purposed us for such a time as this! Let's live wise! Let's make the most of every day for the name of Jesus! Let's know and do the will of God for the glory of God!

Love you all!  
Your Pastor,
