

On Wednesday, September 9, we will begin Phase 2 of our reopening! Every child will need to be preregistered for class to help us safely prepare. [See the link below to register.](#) For now, Sunday mornings will continue to be Family Worship at 9:00am and 10:45am. However, we will keep our families posted if we are gradually able to open some age groups on Sunday mornings.

**If you have a preschool or elementary age child, please park in the back of the church.** At this time check in will be located inside the back doors by the kitchen. **We ask that only 1 adult accompany children to the check in area and any other family members enter in the building by the elevator doors.**

6:10-6:30pm Check in:

- CFBC Kids Ministry staff, volunteers, and children will undergo temperature checks before entering the secured area of the CFBC Kids area.
- Each parent will receive preprinted pickup tags and the child's nametag.
- Children will walk up the stairwell with a Kid Min team member to their classroom and preschoolers may be accompanied by one adult to their classroom.
- Ministry check in teams will be wearing masks and all other ministry leaders are highly encouraged to wear masks, but it is not required.

7:30pm pick up:

- Pick up is in the opposite direction of check in (please enter the preschool and kids' areas in the normal pre Covid manner).
- **To help limit the number of people in the hallways, please only 1 adult accompanying child.**
- There are markers on the floor outside of classroom doors to help parents safely social distance during pick up.
- Parents and children will then exit out the back doors/stairwell to the back-parking lot.

Your pastors are committed to making sure that we do everything we possibly can to provide a safe environment during these unique times. In addition to our normal stringent cleaning and safety guidelines, here are some of the additional Kids Ministry Safety Procedures for Phase 2 we have put in place:

Safety measures for Kids Ministry classrooms:

- Facilities/Housekeeping Ministry will continue to clean and disinfect each classroom and open Kids Ministry spaces before use utilizing disinfectant-filled electrostatic sprayers and/or fogger machines.
- Hand sanitizers are located throughout the CFBC Kids hallway and inside the classrooms for leaders and children to sanitize hands as they enter the room.
- Every solid surface will be wiped down during the hour.
- Snacks will not be offered at this time.
- Individual boxes of supplies for each child will be used to minimize sharing.
- Furniture has been condensed to assist with social distancing and disinfecting.

**Use this link to preregister your children:** <https://form.jotform.com/92034470421144>
