

On Wednesday, September 9, we will begin Phase 2 of our reopening! Every student will need to preregister for class to help us safely prepare. **See the link below to register.**

If you also have a preschool or elementary age child, please park in the back of the church. At this time check in for children will be located inside the back doors by the kitchen. **We ask that students enter through the back door next to the elevator (see posted signs).**

If you do NOT have a preschool or elementary age child, students will enter the front doors of the church and proceed up the main stairwell to the Loft (room 212)

6:00-6:30pm Check in/Hangout:

- Upon entering the church, students are encouraged to walk directly up the main stairwell and into the Loft (room 212)
- All ministry leaders/volunteers are highly encouraged to wear masks, but it is not required.

7:30pm Dismissal:

- **To help limit the number of people in the hallways, students' dismissal will be staggered by small group classes.**
- There are markers on the floor outside of classroom doors to help students keep distanced and walk downstairs.
- Students will then exit out the back doors/stairwell or front door to the parking lot they entered from.

Your pastors are committed to making sure that we do everything we possibly can to provide a safe environment during these unique times. In addition to our normal stringent cleaning and safety guidelines, here are some of the additional Student Ministry Safety Procedures for Phase 2 we have put in place:

Safety measures for Student Ministry classrooms:

- Facilities/Housekeeping Ministry will continue to clean and disinfect each classroom and open Student Ministry spaces before use utilizing disinfectant-filled electrostatic sprayers and/or fogger machines.
- Hand sanitizers are located throughout the Loft and inside the classrooms for leaders and students to sanitize hands as they enter the room.
- Every solid surface will be wiped down after the hour.
- Snacks/food will not be offered at this time.
- Furniture has been condensed to assist with social distancing and disinfecting.

Use this link to preregister your student: **[Click Here](#)**

If you have any questions, please do not hesitate to contact Kyle at kyle.cfbc@gmail.com

Looking forward to seeing your family!
