WORD: Battles—How To Fight

Passage: 2 Chronicles

Key Verse: 2 Chronicles 20:12

"We are powerless before the vast number that comes to fight against us. We do not know what to do but we look to you."

Commentary:

Are you in a battle? Did you just finish a battle? If not, you are headed toward one. Battles will always be with us for the enemy rests not. The enemy is big, and at times we feel just like Jehoshaphat: powerless, outnumbered, and not sure what to do. So then, how do we fight? ANSWER: We don't!! But you say, "How can we win a battle without a fight?" You stand before the Lord and listen. What? Listen? Yes, listen to Him for He has the answer and the battle is HIS!!! Just follow the instructions from this chapter of the Bible. BELIEVE in Him, BOW before Him, WORSHIP Him. Then watch what He does for YOU. No enemy will escape His judgement, and the fear of the Lord will come upon them.

So never fear in the face of a battle: *"Do not be afraid or discouraged because of the vast number, for the battle is not yours, but God's."* 20:15.

Challenge: Battles will come so ask your heavenly Father to help you learn and trust His battle plans.

Prayer: Father, sometimes the enemy is big, and I am afraid. Remind me that EVERY battle is not mine, but yours, and you have already defeated the enemy. I just need to trust you and your plan for me. AMEN.
